TOP REVISION TIPS FOR EASTER: (This is your last extended break before your exams start)

1. HAVE A PLAN!
2. Short spurts of revision (20-25 minutes) are most effective.
3. Practise past exam papers. Have you picked them up from your teacher? With mark schemes? Use EXAMPRO
4. Do you know the specifications/topic areas you need to revise?
5. Find a quiet place to revise
6. Make sure you don't just revise the subjects and topics you like. What do your QLAs say?
7. Use different techniques. Make your own learning maps. Use post-it notes to write key words on, create flash cards
8. You will need help at some stage; ask parents, teachers, or even friends to test you.
